

ENVIRONMENTAL policy / statement - Gŵyl Fwyd Caernarfon

"This group is dedicated to achieving the highest standards of environmental performance, preventing pollution, and ensuring that its activities have as little impact on the environment as possible.

The Group's aim is to ensure that no permanent damage is caused to the environment as a result of its activities; the group will work to ensure that all its activities meet or exceed relevant legislative requirements and best practices.

Caernarfon Food Festival considers compliance with relevant environmental laws, and adopting responsible standards where such legislation does not exist, as a central part of its activities and is committed to considering the environmental impacts associated with its activities throughout their lifecycle.

Particular emphasis is placed on managing greenhouse gas emissions, and it is also believed that the carbon footprint of related products is an important aspect of the Group's management in this area.

This group will continuously work to raise environmental awareness among its members and will communicate openly and consult with customers and other stakeholders on relevant environmental issues."
